

Chef for the Day Program

At Molly's House we pride ourselves in providing the most comfortable stay for all of our guests. Many of them are up early, visiting their loved one in the hospital or receiving treatment all day. When they get back to Molly's House, guests are exhausted and hungry. Cooking a meal seems like another tedious task when they simply wish to relax. This is why we implemented the Chef for the Day Program.

Those wishing to help can sign up to cook a meal for our guests at Molly's House. You can cook from home and bring the meal to Molly's House or you can bring everything here and cook in one of kitchens. If you are a restaurant and would like to participate, you can drop off something from your menu at the end of the day to our "Home away from Home" located at 430 SE Osceola Street, Stuart, FL 34994.

You can choose as a day or days out of a month that you would like to bring a meal. To thank you for your outstanding contribution to our families we will take a photo and post on our Facebook page and when space permits, we will also use the photo in our newsletters or our e-news that goes out twice a month.

If you are interested in participating, please complete the form below and fax it back to 772.223.9990 so we can get you scheduled for "Chef for the Day". All donations are tax deductible by the fullest extent of the law.
